Trading Terms and Booking Conditions

Booking and Payment

Your Sailing course booking is with Performance Sailing Ltd, trading as Performance Sailing Europe which is an RYA approved Sail Training Centre. Our Principal Instructor is Oliver Holding who is a Commercial Yachtmaster and qualified RYA Yachtmaster Instructor. Provisional bookings made by telephone, email, or verbally will be held for 7 days. A completed booking form, together with a deposit of £50 per person is required to secure a booking. The final balance of your Sailing course reservation must be received at least 30 days before the start of your Sailing course reservation. Failure to pay the balance within 30 days will result in your Sailing course reservation being cancelled and your deposit forfeited.

Cancellation

If you cancel your Sailing course reservation at least 30 days before the start of the course we will refund 50% of your deposit providing we can re-sell your place. If through unforeseen circumstances we have to cancel your Sailing course reservation we will offer you alternative dates. Should these be unacceptable to you all monies received will be fully refunded to you and Performance Sailing Ltd will have no further liability.

Insurance

Our yacht insurance does not cover you for accidents or loss or damage to personal effects unless caused by the neglect of our Skipper. It is recommended that you have adequate insurance to cover medical, personal accident, and loss or damage to personal effects. We carry the usual marine insurance policy relating to collision and 3rd party liability limited to £2,000,000.

Transfers & Transport

Performance Sailing Europe can often offer assistance in respect to transfers to and from where your yacht will be based for the course (normally Portland Marina). Should you choose to accept this service be aware that Performance Sailing Europe is not a licensed private hire operator. Your payments to us for transfers or transport are your shared contribution to fuel costs only.

Fitness

All passengers should be fit enough to participate in operating the yacht. If in doubt please discuss this with us before booking. There is no upper age limit, but all customers must satisfy themselves and if appropriate a medical professional that they are fit and able to join their chosen course. Sailing is regarded as a physical pastime and customers may be asked to undertake physically demanding work, as part of the course. In signing the booking form I declare to the best of my knowledge, I am not suffering from epilepsy, disability, giddy spells, asthma, diabetes, angina, or other heart condition and I am fit to participate in the sailing course. Please forward details of any medical treatment being received which will be supplied to the instructor. Please advise your instructor if you cannot swim.

Children

Under 18's are only permitted on courses if accompanied by a parent or guardian.

Safety

Performance Sailing Europe operates 'Category 2' coded charter and sail training yachts licensed by the Maritime & Coastguard Agency, a Department of Transport authority. All safety equipment is provided. Customers must ensure they don't undertake any reckless action which could jeopardise the safety of your fellow students, instructor, any yacht or other vessel or endanger others. Customers must observe high standards of personal conduct and not engage in any activity which could be considered offensive or annoying by a reasonable person. Performance Sailing Europe reserves the right to terminate without warning, the course or sailing introduction of any customer engaging in any behavior considered by the course instructor as offensive or dangerous. It is expressly a condition of course continuation that all customers must comply with the instructions of the Course Instructor. Customers may not use or be in possession of any illicit or illegal substances, firearms or other such offensive or dangerous weapon, item or noxious thing.

Complaints

At the end of your course you will be handed a RYA feedback form. Please use this form to document any dissatisfaction or complaint you may have about your course. The form will be forwarded to the RYA and Performance Sailing Europe will respond in writing to any specific complaint. Please bring any complaint to the immediate attention of your instructor.

Food, Provisions and Personal Equipment

Performance Sailing Europe will cover the cost of all on board food and provisions required for the duration of the course, however it is expected that course participants will share in the tasks of provisioning the yacht and food preparation. This is also considered an important element of learning to skipper a yacht at sea. Performance Sailing Europe will ensure that all personal safety equipment required for the course is made available, however participants must ensure that they have clothing suitable for wearing at sea.
